<https://www.linkedin.com/in/santhoshkumar/>

Aspiring Frontend Developer with hands-on experience from internships and self-led projects, skilled in HTML, CSS, JavaScript, Bootstrap, jQuery, and CodeIgniter. Committed to creating clean, responsive interfaces with a strong focus on performance and user experience.

PROFESSIONAL EXPERIENCE

AHATTRICKZ INFO TECH PVT.LTD

Frontend Developer (Internship)

Kumarapalayam, Tamil Nadu

May 2025 – Present

- **Built User-Friendly Interfaces:** Developed responsive and mobile-friendly webpages using HTML5, CSS3, Bootstrap, and JavaScript, improving UI consistency across devices.
- **Enhanced Code Quality:** Assisted in debugging and optimizing front-end components for better loading speed and maintainability.
- **Supported UI Integration:** Integrated dynamic frontend elements with backend functionality using jQuery and CodeIgniter framework.
- **Collaborated in Real-Time Projects:** Worked closely with senior developers and designers to implement UI changes based on client requirements and feedback.

VCODEZ

Front End Engineer (Internship)

Chennai, Tamil Nadu

Mar 2025 – Apr 2025

- **Developed a Standalone Web Project:** Independently designed and developed a responsive web application using HTML, CSS, Bootstrap, and JavaScript to meet specific UI/UX goals.
- **Integrated Dynamic Features:** Used jQuery and CodeIgniter to build interactive forms and connect frontend interfaces with backend logic.
- **Optimized for Performance & Usability:** Ensured mobile responsiveness, fast load times, and cross-browser compatibility to enhance user experience.
- **End-to-End Project Handling:** Managed the entire frontend lifecycle—from wireframing to deployment—demonstrating initiative, problem-solving, and technical execution.

PROJECT

VAAGAI DOORS & INTERIORS

Developed a fully responsive website for Vaagai Doors & Interiors to showcase their premium woodwork and interior design services. Focused on clean UI, mobile optimization, and smooth navigation to enhance user experience. Integrated a functional contact form with email notifications to enable direct customer inquiries. The site was built using HTML, CSS, JavaScript, and relevant plugins to ensure performance, responsiveness, and seamless communication.- [Vaagai Doors & Interiors](#)

GOLD EDGE

Developed the frontend UI for GOLD EDGE, a product-based web application focused on inventory and transaction management. Utilized HTML, CSS, JavaScript, and jQuery to create responsive and user-friendly interfaces. Currently expanding backend skills to support full-stack development and integration with CodeIgniter.

AUTOSMSF

Developed a responsive UI for the AUTOSMSF website using WordPress with custom themes, plugins, and WPForms integration.

Focused on clean design, mobile responsiveness, and user-friendly form-based interactions.- autosmsf.com.au
